## EXPERIENCE

---

2022- present

#### **Head of Group Compliance**

**Unilabs Group Services succ. d'Unilabs Laboratoire d'analyses médicales SA, Geneva, Switzerland**

Responsible for setting up and roll out of the Compliance Programme across the Unilabs group organization adhering to the highest standards of ethic, integrity, loyalty and transparency. Covering all Compliance matters at Group level, including Compliance risk assessment and risk management (including assessment of future risk); Company culture cornerstone; Policies, Processes, Controls, Reporting, Education, Training and Communication (including train the trainer); Advocacy on Compliance matters at European level; Compliance toolkit for M&A and other activities such as third party management; Compliance of systems eg Speak Up; Anti Bribery, Anti-corruption; Third party code of conduct; Third party due diligence; AML; Data Protection Programme, and other.

2020-2021

#### **HQ Head of Legal and Compliance**

**Unilabs Group Services succ. d'Unilabs Laboratoire d'analyses médicales SA, Geneva, Switzerland**

Responsible for development and implementation as well as maintenance and monitoring of legal and compliance activities of Unilabs HQ and ad hoc group wide projects. The responsibility lies in implementation and dissemination and analysis of new or revised potentially applicable Group wide laws and regulations, advice on legal and compliance issues, including direct managerial role in complex business transactions and negotiations and other legal matters.

2018 – present

#### **Global Data Protection Officer**

**Unilabs Group Services succ. d'Unilabs Laboratoire d'analyses médicales SA, Geneva, Switzerland**

Responsible for definition, roll out and implementation of the GDPR compliance project in the Unilabs group of companies consisting of 15 jurisdictions (in and outside EU and EEA, including US and Australia), to achieve and maintain unified group level of data privacy and compliance with GDPR as well as respective local laws. This includes full project management and cooperation with external vendors as well as coordination of the local data privacy officers and their local teams.

2012 - 2017

#### **Partner, Executive Leader of the Law Firm**

**Deloitte Legal, s.r.o., Law Firm, Bratislava, Slovak Republic**

I have set up a technically balanced and high-profile Deloitte Law Firm, including defining its strategy and goals, set and implemented internal policies and processes in line with Deloitte environment and regulatory aspects and to develop and lead the Law Firm to become an advisor of a choice. I was responsible for definition and planning of roles and management of the recruitment process to set up top team to provide excellent complex legal advisory services.

The role included full lead and management of a team of 20 lawyers of mixed seniority, and under my leadership the Law Firm has ranked repeatedly between the top law firms in Slovakia. The activities covered also technical and quality assurance, legal representation of clients and delivery of complex services. Naturally, promotion of the Law Firm and its services externally giving public speeches and presentation was part of the role, as well as internal network development and exposure to senior leadership within the world leading advisory organization.

-

2004 – 2012 **Senior Legal Counsel, Executive leader of the Law Firm  
PricewaterhouseCoopers Legal, s.r.o., PricewaterhouseCoopers Tax, k.s.**

Responsible for development and of the growth of the originally internal legal department to fully flagged law firm with the aim to become a leading law firm among B4 companies and legal services providers. It included set up of the team, planning of projects and work, management of team up to 12 lawyers.
